1                   **CONCLUSIONS OF LAW**

2                 The ends of justice served by granting said continuance outweigh the best interests of  
3                 the public and the defendant, since the failure to grant said continuance would be likely to  
4                 result in a miscarriage of justice and would deny the defendant sufficient opportunity to  
5                 effectively and thoroughly prepare for sentencing, taking into account the exercise of due  
6                 diligence.

7                   **ORDER**

8                 IT IS HEREBY ORDERED that the sentencing currently scheduled for November 13,  
9                 2023, be vacated and continued Tuesday, November 21, 2023, at 10:00 a.m.
